VSE Corporation Announces Investor Day Event in New York City

October 14, 2026

Event to feature executive presentations, a product and service showcase, and opportunities to engage with VSE's broader leadership team

MIRAMAR, Fla.--(BUSINESS WIRE)--Oct. 14, 2026-- VSE Corporation ("VSE" or the "Company") (NASDAQ: VSEC, VSECU), a leading provider of aviation aftermarket distribution and repair services, announced today that it will host its 2026 Investor Day in New York City on Wednesday, December 9, 2026, beginning at 9:00 a.m. ET.

The event will combine executive presentations and a Q&A session with an in-person showcase of VSE Aviation's product and service capabilities. In-person attendees will also have time to engage directly with the Company's broader leadership team for a closer look at VSE's businesses and the capabilities that support its customers.

Attend in Person

The in-person experience will include executive presentations, a Q&A session, product and service displays, and opportunities for direct conversations with leaders from across VSE Aviation. Together, these activities will give attendees a firsthand view of the Company's aviation aftermarket capabilities and the team behind them.

Webcast Details

A live audio webcast of the executive presentations and Q&A session will be available at https://irday.vsecorp.com, where related materials will also be posted. A replay will be available for 12 months following the event.

The product and service showcase and dedicated time with VSE Aviation's leadership team will be available exclusively to in-person attendees.

Both in-person and virtual attendees are required to register at https://irday.vsecorp.com. After registering, participants will receive a confirmation email with event details.

For more information about this event, please contact VSE's Investor Relations at investors@vsecorp.com.

ABOUT VSE CORPORATION
VSE is a leading provider of aviation distribution and repair services for the commercial and business and general aviation (B&GA) aftermarkets. Headquartered in Miramar, Florida, VSE is focused on significantly enhancing the productivity and longevity of its customers' high-value, business-critical assets. VSE's aftermarket parts distribution and maintenance, repair, and overhaul (MRO) services support engine component and engine and airframe accessory part distribution and repair services for commercial and B&GA operators. For more detailed information, please visit VSE's website at www.vsecorp.com.

FORWARD-LOOKING STATEMENTS
This press release contains certain forward-looking statements. These forward-looking statements, which are included in accordance with the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, may involve known and unknown risks, uncertainties and other factors that may cause VSE's actual results to vary materially from those indicated or anticipated by such statements. Many factors could cause actual results and performance to be materially different from any future results or performance, including, among others, the risk factors described in our reports filed or expected to be filed with the SEC. Any forward-looking statement or statement of belief speaks only as of the date of this press release. We undertake no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes to future operating results.
